The final rehearsal for your racing licence!

Always wanted to know if you are ready to get your racing license so you can participate in competition racing? To answer this question Wheels after Work partnered up with our professional coaches to organize the ultimate rehearsal! Join our Licence Day and put your driving skills to the test under the supervision of experienced pilots. Our team simulates an authentic license test and evaluates your driving like an official instructor would do. At the end of the day, you get a detailed report marking your improvement areas and an overall probability score on getting your racing license.

What to expect?

- A quick course on the necessary theory and a short theory simulation exam
- Evaluations on track by our coaches that simulate the practical exam
- Private coaching with on-board video catered to your specific needs and skills
- Participation with our iconic BMW 325i models or your own car
- Tips & tricks from to improve your odds of passing the exam
- Detailed & personalized marking of your improvement areas and a final score
- An overall great time on track!
